

State-of-Science for Dispersant Use in Arctic Waters Initiative

Topic: **specific topical document**

Due date for written input by: **date, time**

Below are guidelines for submission of written input on the State-of-Science for Dispersant Use in Arctic Waters Initiative: **specific topical document**:

1. The written input should provide suggestions on what to add or remove or change about these statements regarding the state-of-science with respect to **specific topical document**.
2. You must include scientific references published prior to December 31, 2015 to support your written input (no references to on-going research or in-process papers will be considered).

Topic: **specific topical document**

Your Name:

Your Affiliation:

Your Email:

You must include:

- Line numbers of the statements in the document (e.g., line 25-26) to which you are referring.
- In-text citation(s) (author(s), year).
- Full citation(s) with title and source for every publication you reference.

1. Statement(s) to add (provide line number(s) and appropriate in-text citation(s) for each suggestion):

Type here

2. Statement(s) to remove (provide line number(s) and appropriate in-text citation(s) for each suggestion):

Type here

3. Statement(s) to change (provide line number(s) and appropriate in-text citation(s) for each suggestion):

Type here

4. Full citation(s) for each in-text citation made above. Use format similar to that in the References Cited section of the document.

Type here
