User Management

ResponseLINK is a web-based communications system for incident responders. An email address and password are required to log in to the system.

Username

Password

Log in to ResponseLINK

NOAA staff: Your username is your **@noaa.gov** email address *including the domain part* (e.g., "john.smith@noaa.gov"). Your password is the same as your email password.

Others: Use the username and password you have been given.

ResponseLink is a government system for sharing information and documents for specific incidents. Federal personnel can email orr.incidentnews@noaa.gov to request a ResponseLink account. All other ResponseLink account requests must be sponsored through the local NOAA Scientific Support Coordinator (SSC).

Having trouble logging in or forgotten your password? You may contact the ResponseLINK administrator at orr.incidentnews@noaa.gov
