# Deepwater Horizon

- **Dispersants were effective**
- **Critical tool in tool box**
- **Superb teamwork...political influence**

2 of 4

## Questions

- **How 'bad' was it**
- **Future options (products & monitoring)**
- **Public opinion**

3 of 4

## New Frontiers

- **Updating our processes**
- **Refine aerial; explore subsea**
- **Capping stack; US-Mexico drilling**
