

CAMEO Mobile APP

- **Assumption: User of Mobile Apps are “responders “in the field**
 - **People who need info very quickly**
 - **Will increase access to data (which is required by EO)**
- **EPA and NOAA are committed to develop CAMEO Chemicals as a Mobile App**
 - **IOS and Android formats**
- **Potential EPCRA Data Viewer App**
 - **Vision:**
 - **Near-Term:**
 - **Tier 2 Exported from CAMEO**
 - **Talks to CAMEO Chemicals?**
- **Is there anything else that would benefit the responders as a CAMEO mobile app?**
