**Horton Deepwater Development Systems**

**Horton Deepwater Development Systems can design floating  
Platforms for the OTEC Industry to suit  
any water depth in any condition.**

**The Offshore Oil Industry has developed floating systems for  
A vast variety of Applications, Loads and Purpose.**

# Horton Deepwater Development Systems

## Deepwater Platforms

**The OTEC Industry can have confidence that the we can provide a  
Floating System to Support their needs.**

**OTEC's Challenge will be to Provide an Economic  
Energy Source from the Ocean where Appropriate.**
